To whom it may concern:

This letter confirms that we provide coverage worldwide, to include \$250,000 medical coverage for Covid-19 and Emergency Accident and Sickness Medical Expenses, Emergency Medical Evacuation, Medically Necessary Repatriation and Repatriation of Remains up to \$1,000,000. There is no deductible for medical expenses.

COVID-19: COVID-19 is considered an illness and treated the same as any illness would be under the Sickness coverage in the plan and subject to all the plan provisions. The plan offers benefits for accident & sickness and emergency medical evacuation coverage and provided all terms and conditions of the policy are met, there would be coverage for COVID-19 related illness. This is not a guarantee of claim payment and would be subject to a complete review.
